**Why ReSchooled**

---

# The Challenge

**75%**

of teachers  
consider leaving

**Leadership  
pressure**

is increasing  
globally

Schools struggle  
to balance  
**performance &  
wellbeing**

- 1** Teacher burnout is often treated as an individual issue, but most patterns are structural
- 2** Inconsistent leadership creates confusion, pressure and emotional strain
- 3** Staff retention, culture and student outcomes are directly affected by leadership systems

---

# Our Solution

EVIDENCE-BASED LEADERSHIP DEVELOPMENT, DESIGNED TO:

**Support leaders** to create psychologically and emotionally safe schools/institutions

**Strengthen staff retention** through consistent systems and culture

Equip leadership teams with **practical tools** for sustainable, high-performing schools

---

# Programme Structure

## Part A

### Foundation of Mental Health Leadership

- Psychological & emotional safety
- Recognising burnout early
- Coaching conversations
- Preventing staff crisis

+

## Part B

### Building Sustainable School Systems

- Reducing workload & turnover
- Strengthening middle leaders
- Boundaries, conflict & crisis  
leadership
- 90-day culture roadmap

---

# What Makes Us Different

Grounded in **psychology, coaching, and school leadership systems**

**Focused on leadership behaviour, not surface-level wellbeing**

**Practical tools** leaders can apply immediately, *the very next day*

Developed by an **educator & therapist** with international school experience

# Programme Outcomes

<b>FOR LEADERS</b>	<ul style="list-style-type: none"><li>• Clearer decision-making</li><li>• Communication and leadership consistency</li></ul>
<b>FOR STAFF</b>	<ul style="list-style-type: none"><li>• Reduced burnout</li><li>• Increased trust</li><li>• Professional stability</li></ul>
<b>FOR SCHOOLS</b>	<ul style="list-style-type: none"><li>• Stronger retention</li><li>• Improved culture</li><li>• Sustainable performance</li></ul>

---

Leadership implementation  
programme with tools,  
alignment + support

---

# Testimonials

## ***Devi Triamiati, Teacher Year 1***

It's been great working with you so far, and making memories in every training we do. I hope we can cross paths more often and keep working together. Thank you for being part of the team and for your valuable insight.

Bali, Indonesia

## ***Mariam Vallés, Mother of 3***

Thank you for getting involved, with the younger ones and us oldies too. The workshop helped us reconnect and understand our little ones, and we will never forget it.

Alicante, Spain

## ***S. Clarkson, Headmaster Primary School***

Jess, thank you for your dedication and drive over the last few years at our school. Your knowledge and experience have been an amazing contribution to the team. Thank you for the chats and advice I get from you from time to time. We are so happy to have you help us out when our community needs it. Keep up the great work!

Bali, Indonesia
